Are you new to Zoom?
We’re here to help you acclimate to the virtual learning environment

Tuesday, March 24
6:30 – 7:30 pm

In these sessions you will:

• Learn how Zoom works (we will take a step by step approach!)
• AND most importantly, hear from your peers who have experience with learning and engaging in the virtual classroom.

What’s Next: Prior to the orientation you will receive a link from the Office of Student Services inviting you to the virtual classroom. The link will let you enter the Zoom Room! That’s it-nothing more. We’ve got you covered!

Additionally, you will be provided with a quick reference guide on navigating Zoom.

What if I Can’t Attend? You are strongly encouraged to attend this brief session. If you are not able to attend, the orientation will be recorded.

MOST IMPORTANT: Please be sure to rest and take time for Self-Care during Spring Break next week. We will continue to communicate and provide instruction for the transition to the virtual classroom.

Sincerely,

Jacqueline B. Mondros
Dean & Assistant Vice President of Social Determinants of Health
