Dear MSW Graduates,

We are pleased to provide updated information about preparing for your Licensing exam.

Beginning on Monday, June 8 through September 8, 2020 you will have access to practice exams and other resources through our new provider LEAP, <https://licensingprep.com> via your SBU email. On June 8 you can expect to receive a notification **directly** from LEAP to your SBU email with a link that will provide access to the material you need to practice for the licensing exam.

Additionally, below are **dates for additional licensing prep workshops.**

Option 1: For students who did **not** take the 6 hour prep class this past spring, we are offering one more opportunity for this 6 hour class on:
