Dear Graduating Students:

As you begin to emerge from your spring break, we are busy gearing up for the licensing preparation virtual workshops that begin this weekend via Zoom. We are invested in your success as you work toward licensure and encourage you to sign up for **one** of the licensing preparation dates if you have not already done so.

The workshop is an invaluable opportunity for you to develop hands-on experience with the exam process. And you will be learning from one of the finest Instructors in social work test preparation. Sunny Maguire, LCSW has helped thousands of social workers prepare and pass the social work licensing exam.

There is still time to register via the link below. The class will be held from 10 AM-4 PM. We will send you a Zoom link for the class you have pre-registered for.

Saturday, March 28
Sunday, March 29
Saturday, April 4
Saturday, April 25
Sunday, April 26

Register here:

The workshop will provide you with test-taking skills and strategies to prepare you for the licensing exam. An additional opportunity to prepare for the test is the use of the Test Master program that is available for download through our Health Sciences Library.

We highly recommend that you **download TestMaster as soon as possible,** so that you have access right up until the date of your exam. Although the School is working on an alternative, it looks like this wonderfully rich resource **MAY NOT BE AVAILABLE AFTER APRIL 5TH!**

The TestMaster, online mock exam is available here: http://guides.library.stonybrook.edu/social-welfare/exam and download the **National Social Work Exam Test** and the **Social Work ASWB Masters Practice Test: 170 Questions to Identify Knowledge** by Dawn Gapsy Apgar Instructions for downloading are available on the library website: http://guides.library.stonybrook.edu/social-welfare/exam

Thank you,
Dean Horwitz
